Dear Operator:

It has long been the aim of Midway Mfg. Co. to build our equipment as serviceable and trouble-free as is possible. However, as we are all aware, it may sometimes become necessary to replace certain components.

Therefore, as an aid to our many operators and service managers throughout the country, we the people of Midway are proud to present the following information necessary to efficiently order replacement parts.

Other items (not listed) which rarely require replacement are also available upon request.

Yours truly,

MIDWAY MFG. CO.

ALWAYS REMEMBER

When ordering replacement parts it is necessary to communicate the following:

1. Specify:
 - a) Quantity
 - b) Part or assembly number
 - c) Description and/or location
 - d) Name of game for which parts are needed
2. Specify route:
 - 1) Air Freight
 - 2) Air Express
 - 3) Air Parcel Post
 - 4) United Parcel Service
 - 5) Railway Express
 - 6) Truck
 - 7) Parcel Post
3. Service: Midway Mfg. Co. understands the necessity of keeping all equipment operational. We therefore endeavour to process all orders in not more than 24 hours.
4. Special Orders: Certain parts which are not of a stock nature must naturally be fitted in our production schedule.
