VI. SWEDEN

S/N I 165010

VII. NETHERLANDS

S/N I 165008 - 009

Herb,  
Do you have a complete  
list of all XR7 games?  
Ken wants many of other XR7 operators  
call or many of other XR7 operators  
(albert over first) as possible. He wants  
documentation (number of like or not like etc) so  
we can knowingly switch all production  
to XR7.

Thanks  
Joan
